

## A WORD TO THE GREAT ARMY OF SUMMER TOILERS.

If You Are Not as Robust, Vigorous and Happy as Others in the Month of August.

### PAINE'S CERYL COMPOUND

Will Give You Health, Full Energy and Happiness.

Many men toiling in offices, stores and workshops during this hot summer weather, and women weighed with the work and cares of home, are critically near the breaking down point. The symptoms of coming sickness and disease are manifested in sleeplessness, nervousness, tired feeling, languidness, irritability, falling appetite and poor blood circulation.

Paine's Ceryl Compound is a precious boon to the ailing, sick and rundown in this August weather. A bottle or two used at once will quickly bestow the needed strength to battle against the weakening and enervating effects of the oppressive heat, and will enable men and women to go through the necessary routine of daily toil with heart, soul and energy. Paine's Ceryl Compound is especially distinguished for its ability to build up rundown systems in hot weather.

Mr. George W. Demaree of 128 West 67th street, New York, says:

"I am a licensed stationary engineer and although my work is not very laborious I suffered so intensely with severe pains in my back and kidneys that I was compelled to leave my work and remain at home for six months. I suffered greatly with headaches and nervousness in chest and lungs and my joints became very stiff. I actually felt I was doomed to fill an old man's grave at the age of 32. As a last resort I used two bottles of Paine's Ceryl Compound, when I was able to resume my work and after using the third bottle, I am in perfect health. The value of Paine's Ceryl Compound is inestimable, and I urge others afflicted as I was to use it."

### The Veil Will Be Lifted.

J. N. Friday night, from the courthouse steps, in a very short address, thus dispatches from the far West.

I do not believe this pressing and mysterious force can be annihilated unless I scatter it in a short address to my friends in St. Louis. I wish the entire press to note the fact, so that I can be honored with a large crowd.

They fall in doing so, I may possibly make my appointment with the world in this city in favor of truth, against prejudice, to come slowly, gradually and surely, and thus divide on all alike. For the cause of truth, of which I am the humble representative.

### YES OR NO?

St. Louis People Are Respectfully Asked to Answer These Questions.

Is there anything in the evidence of one's senses?

Is there anything in the testimony of one's friends?

Can reliance be placed upon statements from people we know?

Are the opinions of local citizens of any greater moment than those of strangers?

Would you sooner believe people living in some far-away place than citizens of your own city?

We think not! for home proof can easily be investigated.

Jacob Wolfe, carpenter, of 1230 North Ninth street, Third Ward, St. Louis, says: "When I first came to St. Louis there was not a bridge across the river; there was only a ferry. I helped to build the Court House over forty years ago and worked on nearly all the old buildings in the city. There was not a railroad in St. Louis, so a word or two from me to my many friends and acquaintances should carry considerable more weight than if I lived in the New England States. Mrs. Wolfe and I have had more than one attack of backache. Mine was not remarkably severe, but it was annoying. Noticing Doan's Kidney Pills advertised at 'Wolf-Wilson's' corner of Sixth street and Washington avenue, induced me to go there for a box, and Mrs. Wolfe and I commenced the treatment. If it has not performed absolutely what it promised, if the action of the pills was not a long way ahead of anything we ever used, I would be the last resident in St. Louis to publicly recommend them.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitutes.

## OATS DIFFICULTLY COMPROMISED

Mr. Spencer and Mr. Harrison to Share Loss.

### COMMITTEE HAS SO DECIDED

AMOUNT CONCERNED, \$575, WILL BE DIVIDED.

Arbitrators Declared Case Was Unprecedented and That It Would Be Unwise to Rule One Way or the Other.

The special committee of ex-presidents of the Merchants' Exchange, consisting of E. O. Starnard, H. F. Langenberg and O. Z. Whitelaw, who heard the evidence in the Spencer-Harrison oat deal, rendered their decision this forenoon. It was in the nature of a Scotch verdict—not proven—and appeared to excite more smiles from the members than anything else.

One member, to express his sentiments, quoted Pooh Bah in the "Mikado."

Mr. C. H. Spencer and W. B. Harrison called upon the Post-Dispatch Exchange representative and Mr. Spencer made this statement, which was concurred in by Mr. Harrison.

"And all is right as right can be."

"And I am right and you are right and everything is quite correct."

The decision in full was as follows:

From our examination of the case between Messrs. C. H. Spencer and W. B. Harrison, we find it new and without precedent on our exchange. We find that Mr. Spencer was justified in refusing to accept the receipts as they existed for the delivery of the oats in Chicago, and we believe that Mr. Harrison, and we believe that Mr. Harrison was justified in making the delivery in accordance with his contract, and that he had the oats on hand, and that his intentions were all correct, and that it was simply an oversight that his first intended delivery was a bushel short of the contract.

But while it is often customary for our elevators to take up old receipts at the request of the holder, and issue new ones in their place for the reason apparent and satisfactory, we cannot find that they have ever been the basis of changing the face of old warehouse receipts which have before been issued.

And we do not think that there should be any action of the exchange, or of an arbitrator, representing it, in any case, which might be considered a precedent for justifying any change of the face of old receipts, either with or without the sanction of the Board of Registration.

Therefore, under the circumstances briefly narrated above, we have arrived at the conclusion that it would not be best to either place for us to decide that one of them should stand the whole loss, or to divide the loss equally between them, amounting to \$575, be divided equally between Mr. Spencer and Mr. Harrison.

"I asked the committee," said Mr. Spencer, "to determine whether a public elevator had the right to raise a warehouse receipt after it had been registered, and whether after it had thus been raised such a warehouse receipt was a legal tender."

This point both Mr. Spencer and Mr. Harrison declared was of the utmost importance to the trade, yet the committee made no allusion to it in their report.

### "THE LAST DAYS OF PIASA"

Chautauqua Assembly Will Close Wednesday Evening With Production of Operetta.

The Piassa Bluffs Chautauqua Assembly will close Wednesday evening with the production of the operetta "The Merry Cuckoo" by the Assembly talent, assisted by St. Louis and St. Louis soloists, under the direction of Prof. M. Edwin Johnson of East St. Louis, the musical director of the Assembly.

Rehearsals are being held early and late and the promise is that the performance will be one of the best which has been given on the grounds.

At 7 o'clock, after the lecture of Dr. A. W. Lamar, D.D., of Nashville, Tenn., delivered his lecture, "The South Since the War," a companion lecture to the one delivered Monday afternoon, "Dixie Before and During the War."

The lectures of Dr. Lamar proved among the most entertaining of the Assembly.

Monday night Hon. Frank S. Regan gave a talk, and will give another Tuesday night and still another Wednesday afternoon.

The Doubt family orchestra will play and Mrs. Wilda Stutzmann will recite before each lecture.

The people who just came for the Assembly will leave Thursday, but many will stay a month longer.

### DECISION IN FAVOR OF SON

Judge Talty Prevents Mrs. Wright From Disposing of Property Young Man Improved.

Judge Talty Tuesday morning issued an order on Mrs. Sophia Wright to appear in division No. 4 of the circuit court on September 9 and show cause why she should not be restrained from disposing of certain property on the south side of Fairfax avenue, near Sarah street.

The order was issued on the instance of Edwin Wright. His petition states that Mrs. Sophia Wright is his mother and that she is 80 years old. In 1886, he states, his mother bought the Fairfax avenue lot for \$25 and made a verbal agreement with him that the lot should go to him at her death in case he improved the property and supported her in the interval.

Wright says he built flats costing \$700 on the lot and cared for his mother until recently, when "designing persons" induced her to leave the home he provided for her and she has since been living in a cheap hotel. He has instituted suit in Justice Cling's court to secure possession from himself and his tenants. Judge Talty's order temporarily restrains them from prosecuting these suits.

## PAWNED JEWEL CASE A MYSTERY

CHIEF KIELY GIVES IT HIS PERSONAL ATTENTION.

DID POLICE REDEEM GEMS?

Pawnbroker Said the Man Who Brought the Tickets Wore Blue Uniform.

Who found two pawn tickets lost by a child and redeemed the articles they called for is a question which the police have not succeeded in solving, although Chief Kiely's personal attention has been given to the case.

As told in Monday's Post-Dispatch, the statement of Pawnbroker Friedman that the goods had been redeemed by a man in blue uniform has caused the suspicion that a policeman may have found and appropriated the tickets.

The tickets were for a pair of diamond cuff buttons and initial ring, the property of Hugh Shelly, which had been pawned for \$4. With a dollar the tickets were in the hands of a servant in the family of Mr. H. H. of 223 E. 12th avenue, Vivian.

Mr. Helly's little daughter, took the purse with her when she went to market and lost it on the way.

The policeman walking the beat on which the purse was lost and a Policeman Croft, who lives in the neighborhood, met the pawnbroker in Chief Kiely's office. He said he could identify either as the man who had redeemed the articles.

Chief Kiely is now inclined, he says, to believe that the man in blue uniform was a motorman, a fireman or a cabman.

### ANOTHER WONDER OF SCIENCE.

Biology has Proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam delved, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newbro's Herculene was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it taps the vitality, causing itching scalp, falling hair and finally baldness. Without dandruff hair must grow luxuriantly. Herculene at all druggists. It is the only destroyer of dandruff.

**HEIRESS' WEDDING WAS A SURPRISE**

MRS. ALBERT LOWIN.

Miss Virginia B. Sandford became the Bride of "Bert" Lowin late Monday afternoon.

"Bert" Lowin, a well-known young St. Louisan, had present representing the bride in the Texas oil fields, and Miss Virginia B. Sandford, a society girl with a fortune of \$200,000, were married at the bride's home, 412 West Pine street late Monday afternoon.

The wedding was a surprise to the friends of both.

Mr. Lowin has been in Beaumont, Tex., for the past year making only occasional trips home. On his present trip he arrived last Saturday and Saturday afternoon took Miss Sandford out driving.

It appears that when they returned home after the drive that Miss Sandford informed her mother, Mrs. Louise Berthold Sandford, that she and Mr. Lowin had concluded to wed and have the ceremony performed as soon as possible.

Even then they did not make a public announcement, and they waited until near the closing time of the recorder's office to secure the license.

The Sandford family are Catholics, and the ceremony was performed by Rev. Father Gilligan of the new Cathedral Chapel. Miss Martha Berthold, the bride's aunt, was her only attendant. August Berthold, her uncle, gave the bride away.

Miss Sandford inherited one-fifth of the estate of her father, the late Benjamin Chouteau Sandford, which is estimated to be aggregated in the neighborhood of \$1,000,000.

Mr. Lowin is a son of J. D. Lowin of 348 Morgan street.

**Mother's Girl.**

There exists often a very beautiful companionship between the mother and her daughter. The intimacy is frank, free and sympathetic. But some day the mother feels as if something had chilled this intimacy. The child is silent and sad, and seems to shun her mother instead of seeking her.

This change very often occurs when the young girl is crossing the border line of womanhood. She is morbid, nervous, fearful, as she enters upon this new experience.

The use of Dr. Pierce's Favorite Prescription at such a time will do more than restore the normal balance of mind and body. It will establish the womanly function upon a basis of sound health, as well as improve the appetite, nourish the nerves, and promote the general physical health.

"Two years ago my daughter's health began to fail," writes Mrs. D. H. Hall, of Grand Street, Wis. "Everything that could be thought of was done to help her but it was of no use. When she began to complain she was quite stout, weighed 170, the picture of good health, until about the age of fourteen, then in six months she was so run down her weight was 100 lbs. I felt I could not give her up as she was the only child I had, and I must say, Doctor, that only for your 'Favorite Prescription' my daughter would have been in her grave today. When she had taken one-half bottle the natural function was established and we bought another one, making only two bottles in all, and she was completely recovered. Since then she is as well as ever."

The Common Sense Medical Adviser, 3000 pages, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. J. C. Rhea, Buffalo, N. Y.

**GIRL DRESSED AS BRIDE OF DEATH**

Miss Huelsemann, Clad in White, Sought River.

LEFT PRAYER BOOK ON SHORE

RELATIVES BELIEVE SHE THEN ENDED HER LIFE.

Illness Had Caused Young Woman to Grow Weary of Life—She Refused to Travel, and Went Out Only to Church.

Dressed as a bride, her hat trimmed with white ribbons, plumes and orange blossoms, wearing a white waist and white gloves and carrying a solitaire ring and a prayer book, Miss Theresa Huelsemann sought the river's edge at the foot of East Grand avenue. That she there espoused death is the belief of her relatives.

The hat, gloves, ring and prayer book, together with her purse and umbrella, were found on the bank Monday by fishermen who, a short time before, had seen the young woman kneeling in prayer by the river's edge.

The articles were identified Monday night at the Angella Street Police Station by the girl's father and brother, who had read their description in the Post-Dispatch. Mr. Huelsemann is proprietor of two shoe stores.

The young woman's absence from home caused no anxiety until the discovery of her property was learned. Her father, Frank Huelsemann, of 228 North Fourteenth street, supposed her to be a patient at Mullany Hospital.

A painful illness had for two years destroyed Miss Huelsemann's interest in life. Formerly merry and popular among her acquaintances, she had grown reserved, even toward her own sister and brother, and her twenty-fifth birthday, which came recently, found her tired of life.

The solitaire ring, which the girl treasured during her illness, was the remnant of the family made the trip with her father. Her brother says that she had discouraged the attention of young men since her illness, and had few male acquaintances.

Travel had been devised by the girl's relatives as a means of renewing her interest in life. Her father, three weeks ago, arranged a steamship trip to Burlington, 10, for himself and her, but she declined to go when the time came, and another member of the family made the trip with her father. She was offered a summer trip to Colorado, but this was also declined with apparent indifference.

The only interest which she retained was that of religion. This seemed to increase as other attachments faded. She was a constant attendant at Holy Trinity Church, whose towering gray spires are but a block from her home. She sang in the choir, and was always at rehearsal.

Between the hours of her prayer book ritual, intending, as she told her brother, to stay for a course of treatment. She left the hospital Monday morning and the sisters supposed that she had returned to her home.

Fred Huelsemann, the girl's brother, sent out a number of men Tuesday morning to search for the body, which, he believes, may be entangled in the rushes at the foot of East Grand avenue.

We Close Daily Until September at 5 O'Clock—Saturdays at 1 O'Clock.

Three pictures bearing religious motives. They were souvenirs of the ordinations of young priests. The book was carefully kept, but the pages containing prayers headed "After Communion," showed evidence of constant thumbing.

Sunday morning, after church service, Miss Huelsemann went to Mullany Hospital, intending, as she told her brother, to stay for a course of treatment. She left the hospital Monday morning and the sisters supposed that she had returned to her home.

Fred Huelsemann, the girl's brother, sent out a number of men Tuesday morning to search for the body, which, he believes, may be entangled in the rushes at the foot of East Grand avenue.
